

LANDSTUHL MIDDLE SCHOOL

ELECTIVE COURSE REQUEST FORM - 7th & 8th GRADE - SCHOOL YEAR 2008 – 2009

Student Name: (print) _____ **Grade next year: (circle) 7th 8th**

All students in 7th and 8th grade must take the four core classes; Math, Science, Language Arts, and Social Studies. All 7th and 8th graders will also be enrolled in a full year Wheel exploratory class. Following is a list of elective courses that may be offered at Landstuhl Middle School. All 7th and 8th graders will request the equivalent of two full year elective courses. (Two semester classes equal one full year course). **Elective course requests are not guaranteed**, but we attempt to give each student at least their first choice of elective courses whenever possible. Again, please remember that **elective course requests are not promised, and may be assigned based upon scheduling requirements and other factors.** **In the list below, please place a number 1, 2, and 3 next to the courses you are requesting in order of preference.** Also be sure and list three alternate choices in the correct section below in the event that one of your first three choices is not offered, does not work with your schedule, or the class is full. Please note that students may have one or more elective classes in their schedule that they did not request. This is a scheduling necessity, and in many cases will be based upon the second, third, or alternate choices.
